Hey, Kelly!
Sorry I haven't responded sooner, but today is the first day our office has reopened after the holidays (love IHL!). Yes, we need to pull Governor Musgrove from that show. The original idea was for the sitting Governor to discuss the 2004 legislative session.

I hope you had a good New Year's. Jeremy wants to re-join the choir this winter after basketball season ends, and he's really wanting me to join with him. I don't know. I can make a joyful noise, but it's not always pretty! Hope to see you soon.

Hey! I hope y'all are enjoying your Christmas break. Jill, our scheduler, just called b/c she noticed she had a note in the January file about the Governor being on The Learning Exchange. I'm guessing that y'all are no longer planning on this due to our going out of office, but Jill and I wanted to double check with you before we pulled it.

Can you please just let me know y'all's plans? I understand if you want to scratch it. THANKS!
